# STAY + PLAY + TRAIN

*A PAWSITIVE Board & Train Experience!*

Do you need help with your dog but don't have the time? Let us help you build a foundation of basic skills using positive reinforcement training techniques. Our STAY + PLAY + TRAIN program allows dogs of any age to enjoy the freedom of fun and exercise while providing structure, boundaries and pet education through enrichment learning. Your dog will not only have fun, but will come home with an easy to follow roadmap so you can build a relationship based on mutual trust, love and respect.

## **5 day consecutive stay (Monday - Friday) required. Includes:**

-  Daycare and boarding
-  Week 1: Sit, down, come when called, loose leash walking. Customization available
-  Week 2: Increased distractions & advanced obedience
-  Daily training curriculum, report cards and notes
-  Access to the enrichment center: doggie treadmill, agility course & stability exercises
-  Proper socialization supervised by an academy trainer
-  Private follow up session with a certified trainer at Puppy Paws or a video tutorial explaining everything your pup has learned

# PLAY + TRAIN

*Same program as STAY + PLAY + TRAIN without boarding.*

This is a perfect option for pet parents that want their dog to come home at the end of each day. Think of it as "school for your dog"!

-  Available to any student that completes one week of STAY+PLAY+TRAIN.
-  Includes daycare

# SOCIALIZATION & FOUNDATIONS

This is a great option for dogs that need additional, supervised socialization with smaller crowds. In order to slowly introduce fearful or anxious dogs in a positive way, a smaller and more controlled environment is needed. Your dog will also receive a foundation of basic obedience commands reinforced during their personalized time: Come when called & loose leash walking. Customization is available and includes a private follow up session with a certified trainer at Puppy Paws or a video tutorial explaining everything your pup has learned and easy to follow steps to replicate it at home.

-  5 consecutive days required to start. Single days available afterward
-  Includes daycare
-  Daily training curriculum with a certified trainer
-  Daily report cards
-  Access to enrichment center: doggie treadmill, agility course & stability exercises
-  Multi week discounts available

# ACADEMY CLUB

Daycare with a purpose! This is a great option for dogs that need exercise and reinforcement with basic obedience. Each month one basic command will be reinforced throughout the day such as sit, stay, down, come when called and loose leash walking. Each Academy Club member will have a goal of 30 repetitions per day. Daily report cards are available for each pet parent. 5 consecutive days required to start.

-  Add-on to daycare
-  Training with a certified club instructor, Monday - Friday
-  30 repetition/command daily goal
-  Daily report cards and photos

# PRIVATE TRAINING

## *1:1 Training Session with Travis Brorsen*

In-home and at Puppy Paws Academy, our one-on-one education program is designed for families and pet owners that have specific needs. This is a great option for pet parents that want to get their pup off on the right paw before socialization classes. It's also a great way to prevent or curb unwanted behaviors such as biting, chewing and fear/anxiety issues. Other topics include potty training, basic and advanced obedience, come when called, leash manners, and child/dog relations. This is also a great option to prepare for a new dog or human baby!

### **All private trainings are 60 minutes. Options include:**

-  Puppy Paws Training Academy sessions
-  In-Home private sessions
-  Package of three sessions
-  Package of six sessions

# GROUP CLASSES

Our classes are designed to guide pet parents/families on a path to success. You and your dog will have the opportunity to learn in a controlled environment and set a solid foundation for both you and your dog. Each week you will receive take-home information, tutorial videos and games to play with your pup. All participants that complete the course receive a graduation certificate! Class levels range from puppy to adult. We also offer Canine Good Citizen testing in preparation for therapy dog certification. Group classes are seasonal.

# HEALTH & WELLNESS PROGRAM

Do you want to add a minimum of two years to your doggie's life? According to a recent study, almost 60% of America's dogs are overweight or obese. A healthy dog will have an improved quality of life, lower cholesterol, blood pressure and have less anxiety. A healthy lifestyle can even lower the risk of cancer. Let our team provide you with a proper feeding program, exercise routine and peace of mind that you are doing everything you can to love your pets the right way!

## **Includes:**

-  One-on-one weight assessment & evaluation
-  Fitbark Fitness Tracker
-  Health & Wellness plan
-  Meal & feeding plan
-  Exercise plan
-  6 to 12 month weight loss goals
-  Weekly check-ins
